

Physiotherapist to World Record Breakers!

Mike Brownlow has been accompanying the GB Short Track Speed Skaters at their final World Cup of the season in Dresden (Germany) on the 18th-20th February 2011, and what a way to finish! After watching Korea break the World Record in the Men's 5000m relay on Friday, Team GB were not to be outdone. On Sunday they skated a time of **6:37.877** beating the one of 6:38.036 set earlier in the weekend by Korea.

Richard Shoebridge, Jack Whelbourne, Paul Stanley and Jon Eley (pictured above left to right) completed the time in the 'B' final after they had unfortunately missed out on the 'A' Final following a fall in the semi-final earlier in the weekend. It was undoubtedly an amazing way to finish the final event of the weekend as they prepare for the final competition of the season – The World Championships in Sheffield. This competition is on 11-13th March 2011. Ticket information is available from the event website.
